

**MAYOR'S REPORT  
FOR CONSIDERATION AT  
COUNCIL MEETING ON 28.06.2022  
FC2/31**

The new Council year started with a busy Mayoral diary. I represented the Council at the Lord Mayor of Chester's Civic Service and this was followed by HM the Queen's Jubilee celebrations in Neston.

This coincided with the return of the Annual Ladies Day Parade so I was invited to walk as the Council Representative. Our Deputy Mayor, Cllr Jones, went with Cllr Warner (as a CWaC Cllr) to the Lord Mayor's Platinum Jubilee service in Chester Cathedral. Our busy and attractive Jubilee market followed on Friday, with the Deputy Mayor joining me to judge the children's fancy dress parade, then the Big Lunch on Sunday, where the weather was not so kind but didn't deter people from coming out to enjoy themselves.

Neston Council is very much on the invitation list for civic occasions and I was invited to join other Town Mayors at the High Sheriff of Chester's Garden Party in June. This was the same day as our Neston Service to remember the 40<sup>th</sup> anniversary of the Falklands War so the Deputy Mayor attended to lay a wreath and I joined him and Cllr Gittins for the service, followed by refreshments at the British Legion to meet the Air & Sea cadets who had paraded at the wreath laying and service. Neston can be proud of our youth on such occasions.

**Cllr P Kynaston  
Mayor**
