	Town Hall Performance Space	MTH1/17

Background

It has been suggested by Little Actors Theatre Company that the Town Council might wish to apply to the next round of CWaC Crowdfunding in order to upgrade the Town Hall's performance space. Little Actors would be willing to work collaboratively with the Town Council on this project.

The suggested upgrade

- Wi-fi speaker system that anyone can plug into.
- Basic lighting kit & operating/mixing desk so that hirers can plug in and plot lighting cues.
- Upgrade of the fixed stage lighting which currently lacks flexibility.

For consideration

The Market & Town Hall Committee will wish to consider the suggestion from Little Actors and decide whether and how to proceed.
