	Date	<b>23 August 2022</b>
	Document	Ref No
	<b>Remembrance Sunday Responsibility &amp; Liability</b>	<b>CE4/47a</b>

Officers have been in discussion with the Neston branch of the Royal British Legion (RBL) regarding arrangements for the 2022 Remembrance Sunday parade and wreath laying service. We have been informed that RBL will not be able to undertake the role of event organiser for future Remembrance Sunday parades or provide any insurance for the events.

Officers have investigated the process and associated implications should the Town Council decide to become the Remembrance Sunday event organiser. The various aspects involved in becoming the event organiser are detailed in the remainder of this agenda item (b-h), but the first decision the Committee will need to take is whether the Town Council is willing to assume responsibility and liability for the event as follows:

- (i) Is the Town Council willing to become the event organiser for the Neston Remembrance Sunday parade and wreath laying service for 2022 and for future years on an ongoing basis?
- (ii) Is the Town Council willing to provide public liability insurance for the Remembrance Sunday parade and wreath laying service for 2022 and for future years on an ongoing basis?
- (iii) Is the Town Council willing to appoint a traffic management company for the Remembrance Sunday parade and wreath laying service for 2022 and for future years on an ongoing basis?
