		Remembrance Sunday Marshal Training	CE4/47h

The following information has been received from Cheshire Association of Local Councils (ChALC):

ChALC has been contacted by the Police and Crime Commissioner (PCC) regarding a proposal to offer training of road marshals for Borough, Town and Parish Councils at the Police Headquarters in Winsford.

The course is for one-day and consists of theory input followed by practical application. At the end of the day there will be a question and answer session for each trainee and a nationally accredited certificate awarded to each participant. Training will be delivered by Training Event Safety Solutions Ltd (TESS). It is proposed that the training will take place on a Saturday and the cost per person to attend is £150 (we are told this is a vastly reduced price)

ChALC has been asked to find out the level of interest from Town and Parish Councils in this training offer. ChALC needs to send a response to the PCC by Friday 26th August and we expect that any further information will be circulated after that date.

It has not been possible to confirm whether the training will be provided prior to 13 November, but such training could still prove useful for future years if the Town Council is to event manage Remembrance Sunday on an ongoing basis.

Audrey Duncan
Governance & Operations Manager
