Describe your project	The Fun Day is an afternoon of fun and activities for families in West Vale and around Neston, Parkgate and Ness

Explain how each main objective will be achieved.	There will be a variety of activities including circus skills, small animals workshop and time honoured games such as coconut shy and curling	
Provide a timeline for implementation of your project.	The event will take place on Sunday afternoon 31 <sup>st</sup> July between 1pm and 4pm	
Detail the evidence that proves why this project is needed.	This will be the 11 <sup>th</sup> year of holding the event and each year more families attend.	
Please demonstrate how the people who will benefit from your project, with lived experience of the issues tackled, have been involved in its development and how they will be involved in its delivery.	The activities are all free to use. Children can enjoy several goes and parents do not feel under pressure to pay. This has always been the ethos for our event	
What difference will your project make to the lives of the people who will benefit from it and how will you measure its legacy?	Giving families with low incomes an opportunity to come out and enjoy the parks facilities and meet friends and neighbours	
How many people do you estimate will benefit from your project?	Direct beneficiaries	Over 500 persons
	Volunteers	Approx 20 persons
If you aim for your project to carry on in the future, how will you ensure it continues after the funding from this application has been used?	The grant will allow the Friends to hold the event this year.
