

	<i>Meeting (No)</i>	Community & Environment Committee (8)	
	<i>Date</i>	7 February 2023	
	<i>Document</i>		<i>Ref No</i>
		Allotment Policy	CE8/97c

The Allotment Policy became due for review in January. The Committee is asked to consider two alterations (highlighted in yellow on the policy)

Paragraph 3

It is recommended that Neston Town Council removes names from the waiting list if an allotment offer is refused on three occasions (this is the procedure adopted by CWaC). An option is included to cover exceptional circumstances.

Paragraph 22.19

The aim of this recommended change is to align the policy with the wording of the tenancy agreement. An addition has also been made to ensure that best practice is followed in terms of wildlife safety (this best practice addition will be added to the 23/24 tenancy agreement).
