	Market agency (HRGO) pay rates	MTH5/63

Current Rates

The current pay rates for our agency market staff via HRGO are as follows:

Market assistant £10.42 (national minimum wage)

Market supervisor £10.93 (when covering for our market officer)

National minimum wage

As from April 2024 the national minimum wage will rise from £10.42 to £11.44 which will mean the market assistant rate is higher than the supervisor's rate.

HRGO Supervisor rate

Due to this increase the supervisor rate needs to be increased also. As council staff are paid on NJC pay scales it would be sensible to apply this to the HRGO supervisor rate too.

Recommendation

To increase the HRGO supervisor's rate to SCP3 £11.79 from 1st April 2024.
