Neston Community Youth Centre Limited

Report of the Trustees for the Year Ended 31 March 2023

OBJECTIVES AND ACTIVITIES

Objectives and aims

Our charity's purposes as set out in the objects contained in the company's memorandum of association are:

- The provision of facilities for recreation or other leisure time occupation of individuals who have need of such facilities... or for the public at large... with the object of improving the condition of life.
- To advance in life and help young people through:
- The provision of recreational and leisure time activities provided in the interest of social welfare, designed to improve their conditions of life.
- Providing support and activities which develop their skills, capacities and capabilities to enable them to participate in society as mature and responsible individuals.
- To promote social inclusion by preventing people from becoming socially excluded, relieving the needs of those people who are socially excluded and assisting them to integrate into society.
- To promote learning for pleasure by people no longer in full time employment through the continued development of their individual capabilities, competencies, skills and understanding in subjects of educational value.

Our aims are to:

- Minimise the impact of Social Isolation
- Enable people to live happy and healthy lives
- Provide quality space for people to meet, socialise and learn
- Support the delivery of public services
- Work with others to meet these aims Our aims fully reflect the purposes that the charity was set up to further.

Ensuring our work delivers our aims

We review our aims, objectives and activities each year. This review looks at what we achieved and the outcomes of our work in the previous 12 months. The review looks at the success of each key activity and the benefits they have brought to those groups of people we are set up to help.

The review also helps us ensure our aim, objectives and activities remain focused on our stated purposes. We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aim and objectives and in planning our future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

The focus of our work

Our main objectives for the year were to continue to restore and develop services to reduce the impact of Social Isolation and poor health and wellbeing which has been worsened by the Global Pandemic, secure the future of Neston Civic Hall for the benefit of local people, and to carry out feasibility work in regards to becoming Net Zero.

The strategies we used to meet these objectives included:

- Provide a range of services that can improve people's health and wellbeing - to support and enable others to do the same.
- Collaborate with organisations that can support our future development and the provision of services, where this fits with our objectives

How our activities deliver public benefit

Our main activities and who we try to help are described below. Our charitable activities focus on supporting local people to live healthy, happy and connected lives and are undertaken to further our charitable purposes for the public benefit.

Who used and benefited from our services?

In the year our activities reached more than 7000 local people. As a Community Anchor Organisation our beneficiaries are only really limited by geography and therefore our services and the services we support benefitted people from birth to 101 years of age though more than 60% of those were over the age of 60.

The area now described as the Neston & Willason Care Community has approximately 20,000 residents.

OBJECTIVES AND ACTIVITIES

Significant activities

Neston Angels

Neston Angels befriending continued and has expanded its provision to improve the opportunity for isolated people to socialise including setting up a monthly chat and char event and continuing with the senior matinées. Neston Angels also ran a pilot art club and hope to be able to secure funding in the future and continues to facilitate the Silvermail scheme.

Our quarterly newsletter is sent to befriendees and volunteers and shared news about the charity, befriender achievements, Neston Angels activities and reminiscences from both volunteers and befriendees.

Social Prescribing

NCYC continue to operate the Social Prescribing Service, commissioned by Neston & Willaston Primary Care Network.

In June 2022 the service moved to the Joy system and since then we have received 215 referrals from local GP Surgeries, Job Centre, Citizens Advice and others. ONS4 is used to monitor the wellbeing of those accessing the Social Prescribing service with a 38% improvement in wellbeing for those engaging with our Social Prescriber.

The Social Prescriber has set up support groups in response to the need of our community including a Bereavement Friendship Group, a group for people who had lost their partners but didn't necessarily want or need counselling, the group now meet weekly alternating between Neston Community Youth Centre and one of our many great coffee shops. The group now goes on regular day trips and overnight breaks.

The Crochet Group established in early 2022 has seen an increase in attendees and has renamed itself the Community Yarn Craft social group, meeting weekly they 'yarn bombed' Neston Town Centre for Christmas 2022, decorating lampposts and post boxes. The group have also made worry worms for anyone to take from the community centre.

The Social Prescriber continues to provide feedback to the Neston and Willaston Community Partnership Steering Group (formerly the Neston and Willaston Care Community) about the key needs for the Neston Community. The Social Prescriber co-chaired the Mental Health sub group who secured funding to train a group of volunteers in mental health first aid with the aim of delivering wellbeing peer support.

Neston Civic Hall

NCYC has been operating Neston Civic Hall since January 2022 and over the last 12-18 months we have seen an increase in activity with many of the much-loved activities returning after the Civic Hall was closed for 2 years, including the Neston Flower Society, U3A and dancing classes amongst others. Neston Civic Hall has also had several bookings for private events. Unfortunately, due to the repair issues we have faced, in particular, with frequent roof leaks this hasn't led to an increase in revenue for the Charity as we have had to close the building on a number of occasions and revenue has been used to fund patch repairs.

Neston Community Youth Centre

Neston Community Youth Centre continues to host the Job Centre, Citizens Advice drop in and Foodbank. In 2023 we also facilitated the 'Let's Talk' drop in service.

In April 2022 we set up a 'footfall' counter, across both the community centre and the Civic Hall. Between 1st April 2022 and 31st March 2023 people from our community accessed the various services facilitated by NCYC over 47,600 times. There were 1,650 activities over 4,945 hours.

Community Partnership

The Community Partnership Steering Group (formerly the Care Community) is now well established and meeting monthly. Alongside the Clinical Lead from Primary Care, we have jointly led the development of our Community Partnership and established sub groups specifically to look at Mental Health, Children, Young People and Families, Older People, and Population Health. We have had some success in bringing people from the Public, Private and VCSE sectors together to improve the way we work together and support local people with health needs.

We managed to secure funding for all sub groups to undertake projects that could improve the health and wellbeing of the local population. These projects included training volunteers as wellbeing peer support volunteers, funding counselling for young people, lunch club provision and funding a defibrillator with Neston Nomads.

Events

Neston Community Youth Centre Limited

OBJECTIVES AND ACTIVITIES

We were able to see the much anticipated return of Neston Flicks and Senior matinées. We also supported the Liverpool to Chester Cycle Ride and facilitated the much loved lantern parade as part of Christmas in Neston.

Neston Flicks will celebrate its 10 year anniversary in Sept 2023.

Public benefit

The Trustees can confirm that they have complied with the duty in section 17 of the Charities Act 2011, to have due regard to public benefit guidance published by The Commission.

A word from our Chair

The charity has undergone a considerable period of change in its leadership during the 2022/2023 period. I stepped down as Chair in January 2022 having completed my maximum period of service under the rules. The worst of the COVID period had ended and the governance of the charity looked well set for a new exciting phase. Unfortunately, for completely different personal reasons, all the trustees bar one, stepped down from their roles over a four-month period from January to April 2023. At the same time, the CEO accepted a position with another employer. It's a tribute to the resilience of the charity and the community that new Trustees were promptly appointed and, in April 2023, I was asked to return to Chair the charity to ensure stability and no loss of corporate memory. I am delighted to take on this role again whilst we reestablish ourselves. A new CEO has been appointed, Rachael Furey, who was promoted internally. Rachael has made a brilliant start in her new role and the new trustees are completely committed. We will lose Councillor Louise Gittins at the AGM in November 2023, but two replacements are already in hand. As I write this in November 2023, the charity is demonstrably refreshed and invigorated. We are blessed in having excellent staff and our reputation is such that vacancies are filled promptly with really good people.

- David Clark

A word from our Chief Executive

Firstly, I want to say a fond farewell and thank you to Gareth Prytherch, who stepped down as Chief Executive in June 2023. Having worked for NCYC in a different capacity since 2020, I was overwhelmed and inspired by the level of community spirit and support in Neston and I very quickly knew that this was a community I wanted to engage with, so having the opportunity to take on the role of Chief Executive for a Charity at the heart of its community, is one that I am excited and honoured to have.

I also want to thank our Trustees for their support to both me and the Charity.

The focus for the upcoming year is to continue to support our community by providing and expanding on our services and on ensuring the success of Neston Civic Hall as well as increasing our number of Trustees.

An application has been made to The Community Ownership Fund which if successful would enable NCYC to carry out the substantial necessary repairs needed at the Civic Hall to secure its future and ensure it can continue to be utilised for community benefit.

The level of commitment from both old and new volunteers has been inspiring and much of the work we do wouldn't be possible without our wonderful volunteers. This is shown in the response we had when trying to address the maintenance issues at Neston Civic Hall. We now have an established group of motivated, enthusiastic and skilled individuals who are helping to improve this much-loved community asset.

Thank you again to our volunteers, donors and supporters.

-Rachael Furey

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The organisation is a charitable company limited by guarantee, incorporated on the 15th January 2007 and registered as a charity on 8th February 2007. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £1.

Neston Community Youth Centre Limited

Report of the Trustees for the Year Ended 31 March 2023

STRUCTURE, GOVERNANCE AND MANAGEMENT

Recruitment and appointment of new trustees

The directors of the company are also charity trustees for the purposes of charity law and under the company's Articles are known as members of the Board of Directors. Under the requirements of the Memorandum and Articles of Association the members of the Board of Directors are elected to serve for a period of three years after which they may be re-elected for a maximum 3 year period at the next Annual General Meeting.

All member of the Management Committee give their time voluntarily and received no remuneration from the charity.

As part of our ongoing review of the governance of the charity, it was recognised that although our Trustees live in the communities we serve and have an understanding of local need, they don't necessarily reflect the users of our services. Therefore, an open membership structure was established to ensure the involvement of local people in a more meaningful and evidenced way.

Organisational structure

Neston Community Youth Centre has a Board of Directors, up to 10 in number, who meet 10 times per year, with 4 Formal Meetings and 6 Informal meetings and are responsible for the strategic direction and policy of the charity. At the end of the financial year the Board had six members from a variety of professional backgrounds relevant to the work of the charity.

As Accountable Officer, the Chief Executive has responsibility for maintaining a sound system of internal control that supports the achievement of the charity's policies, aims and objectives, whilst safeguarding the charitable funds and assets for which they are responsible, in accordance with the responsibilities assigned to them. They are also responsible for ensuring that NCYC is administered prudently and economically and that resources are applied efficiently and effectively.

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve our charitable objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness.

The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of the charitable objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place for the year ended 31 March and up to the date of approval of the annual report and accounts.

The Board of Directors is responsible for setting the risk appetite on an annual basis according to its present position and anticipated direction of travel for the financial year ahead. The defined appetite is then applied.

The trustees utilise a risk assessment matrix to ensure a consistent approach is taken to assessing the potential consequences and likelihoods of risks and furthermore that appropriate action is taken to address each risk based on the resulting score.

The Board meets regularly to discuss an agenda based on three key elements:

- Strategy and Policy
- Performance and Governance
- Quality and Safety

The Board is responsible for setting the organisation's strategy and for ensuring that we meet our statutory duties and effectively manages risk. The Board holds prime responsibility for governance and the development of systems and processes for internal control, including risk management, and compliance with regulations.

The Board maintains responsibility for setting and approving work plans and monitoring the delivery of planned objectives. The Board of Directors regularly receives reports on the business covered, risks identified and action taken as well as regular performance related reports.

The Board is responsible for ensuring the financial viability through the establishment of effective financial stewardship.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Induction and training of new trustees

Most trustees are already familiar with the work of the charity having been involved in our activities. Additionally, potential trustees are invited and encouraged to meet with both the Chair and Chief Executive to understand:

- The duties of Charity Trustees / Company Directors
- The operational framework for the charity including the Memorandum and Articles of Association.
- Resourcing and the current financial position as set out in the latest published accounts.
- Future plans and objectives.

Candidates are then given essential guidance such as the Charity Commission's The Essential Trustee along with an application pack including Role Description, Conflict of Interest Policy and Trustee Declaration.

Risk management

The Trustees have conducted a review of the major risks to which the charity is exposed. And discussed and agreed their appetite for different types of risk. This information has formed the constituent parts of our risk register which is updated at least annually.

Where appropriate, systems or procedures have been established to mitigate the risks the charity faces. Internal Control risks will be minimised by increased board and staff capacity, increasing Trustee numbers to 8, from 4, and employing additional staff resource into key roles as funding allows.

A reserves policy has been developed.

3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
