

Transport Working Group Terms of Reference

(For approval by C&E Committee on 08/10/24)

MEMBERSHIP

- Minimum of three Town Councillors.
- Members of the community with relevant skills and knowledge to collaborate with Councillors to achieve the goals of the Working Group.

PURPOSE

To encourage improvements in the quality of traffic management and public transport in Neston and to promote active travel.

RESPONSIBILITIES

1. To submit an annual monitoring report to the C&E Committee on the Town Council's Statement on Sustainable Connectivity for Neston.
2. To examine issues relating to traffic and transport in Neston and formulate recommendations.
3. To make recommendations for the promotion of active travel.
4. To investigate any specific traffic or transport issues as directed by the C&E Committee and report findings to the Committee.
5. To liaise with Neston Station Adopters.
