## **ANNEX:**

### **Neston Town Council Safeguarding Operating Procedure**

#### **Definitions of Abuse**

Abuse and neglect are forms of maltreatment of a child/vulnerable adult. Somebody may abuse or neglect a child/vulnerable adult by inflicting harm, or by failing to act to prevent harm. Children/vulnerable adults may be abused in a family or in an institutional or community setting, by those known to them or, more rarely, by a stranger for example, via the internet.

An abused child/vulnerable adult is one who has suffered from, or is believed likely to be, at risk of significant risk of physical injury, neglect, emotional abuse or sexual abuse.

Abuse can take many forms including:

- Physical Abuse e.g. hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating, or otherwise causing physical harm
- Emotional Abuse e.g. Tormenting, ridiculing, humiliating and ignoring
- Sexual Abuse e.g. Unwanted physical contact, involving children/vulnerable adults with sexual images or comments
- Neglect
- Bullying e.g. Physical, assault, threats & intimidation, name calling, spreading rumours

#### **What staff should do if they have concerns / a child says or indicates they are being abused**

If a child/vulnerable adult confides in you:

- Stay calm, approachable and open to what they have to say
- Listen to them carefully without interrupting
- Make it clear that you are taking what they are telling you seriously
- Acknowledge that you understand how difficult this might be for them to say what they are saying
- Reassure them that they have done the right thing by telling someone
- Let them know that you will do everything you can to help them
- Do not show any shock or disgust;
- Do not probe further;
- Do not ask leading questions that might suggest the answer;

- Do not make assumptions;
- Do not make any comments about the alleged abuser;
- Do not make promises you cannot keep, particularly about keeping the information 'secret', but explain that you may need to share it with an appropriate person;
- Make a written statement note of what the child has said as soon as possible after the event.
- If the child says the alleged abuser is on the premises or a member of staff, do not approach the individual, just observe.
- Maintain confidentiality – only inform your Line Manager. At this stage the Line Manager will decide on the next course of action.

## Emergency Action

In some cases, it may be important or an absolute necessity to protect a child/vulnerable adult. In these cases, employees should:

- Wherever possible take immediate action to protect them from the immediate harm or possible immediate harm.
- Inform your Line Manager immediately.
- Contact the Adult Services or Police as soon as possible. If necessary, dial 999 and report the incident or your concerns to the Police. The Police are the only agency with statutory powers for the immediate protection of children/vulnerable adults. In urgent cases do not delay making a referral – make it straight away and make it direct.
- Should you suspect or be informed that abuse has taken place you should:-
  - Inform your Line manager and/or Chief Officer immediately
  - If your manager is not available contact Cheshire West & Chester Council:
    - Children: **0300 123 8 123**
    - Vulnerable Adults: **0300 123 7034**
    - Out of hours Emergency Team: **01244 977277**
- Keep evidence of everything you have observed/heard.
- Contact Police if needed.
- There is also a NSPCC Help Line Tel: 0808 800 5000 for experienced advice about possible abuse situations.
- If you feel unsure as to whether parents are involved in a suspected abuse you should not approach the parents on the subject as this could place the child at

further risk. This is a very difficult situation to assess therefore advice should be sought from any of the above under such circumstances.

### **Allegations of abuse against Staff**

- It may be that the person is unclear whether allegations that are made constitute abuse or poor practice and are therefore unsure of the action to be taken. It is essential for this reason that the person in charge (the Line Manager) informs the Chief Officer of the situation and where necessary obtain advice from Services. It is possible that this may be just one of a series of instances of which you are unaware that could constitute something more serious.
- It is acknowledged that any suggestion that a member of staff is or may be abusing a child/vulnerable adult will raise concerns amongst other staff, including the inherent difficulties in reporting such matters. However, it is important that any concerns for the welfare of a child/vulnerable adult arising from abuse or harassment by a member of staff should be reported immediately.
- Neston Town Council will fully support and protect anyone who, in good faith reports his or her concern that a colleague is or may be abusing a child/vulnerable adult.
- Any concerns must be discussed with the Chief Officer where the best course of action will be decided. It is crucial that allegations are taken seriously and any appropriate action taken to protect the welfare of the child/vulnerable adult.
- If, following consideration by the person in charge, the allegation is clearly one about poor practice then the person in charge will deal with this situation as a misconduct issue.
- If the allegation is one of poor practice against the person in charge, then the Chief Officer will decide how the matter will be dealt with and whether or not to initiate disciplinary proceedings.
- If the allegation is one of abuse and/or one against the person in charge then the Chief Officer must contact Cheshire West & Chester Council Adult Services team and act upon their advice.
- The Chief Officer must be informed immediately of any allegations of abuse made against a member of staff. They will then make an immediate decision as to whether the individual should be temporarily suspended from duty, as a neutral act, pending further investigations. The Chief Officer will keep the Mayor advised at all times.

- If the Chief Officer cannot be contacted, the next senior member of staff should send the individual concerned home on full pay and ask them to contact the Chief Officer by 12 noon the following day.
- Irrespective of an Adult Services or Police Investigation the Chief Officer will assess all individual cases under the appropriate misconduct and disciplinary procedure to decide whether a member of staff can be reinstated and if so how it can be handled with sensitivity.
- In circumstances where there is insufficient evidence to uphold any action by the Police or Adult Services, the Chief Officer, in consultation with the Mayor, may reach a decision based on the information that is available which could suggest that, on the balance of probability (burden of proof required for civil prosecutions), it is more likely than not that the allegation is true. The welfare of children must remain paramount. Consideration will always be given to what support can be given to children, parents and members of staff.
