	<b>SUBJECT OF MOTION:</b> <b>New Subway Mural at Neston Station</b>	<b>CE4/31</b>

**Provide details of the proposal and explain why the proposal is being made**

In 2016 Neston Town Council supported a project to remove graffiti from the station subway and commission an artist to produce a subway mural. Due to damp in the tunnel, the mural now needs to be replaced. It is proposed that the same artist be engaged to work with High School students to create a new mural which will include pictures of Neston. The Civic Society will also be making a financial contribution towards the cost of this project. The preparation of the walls and subsequent covering of the mural will be undertaken by Transport for Wales.

**Resource implications (eg financial costs and staff time)**

The project will be co-ordinated and overseen by Friends of Neston Station volunteers.

**Identify a budget for the expenditure**

4360 (Community Grants)

**Detail the wording as you would wish it to appear on the agenda. This will be the formal motion on which the Council or Committee will vote**

To make a payment of £500 from budget 4360 (community grants) to provide a new subway mural at Neston Station.
