	Bunting	CE12/124a

Neston Town Council has traditionally installed bunting in the town centre for the Ladies Day parade and Neston Village Fair during June and July. Now that Neston Village Fair is no longer held in the town centre, the C&E Committee will wish to consider whether to continue funding the purchase and installation of bunting. The costs are detailed below.

Installation

Specification:

1	INSTALLATION Collection of bunting from Neston Town Hall. Install bunting, wherever safe to do so, on the following route: beginning at the Malt Shovel and progressing along the High Street as far as the traffic lights by Elephant Coffee.	1212.50
2	INSPECTION AND CALL-OUT SERVICE Weekly walk around inspection to begin from the week following installation and continue until bunting removed (8 weeks). Call-out service as required (normal hours). This will include any remedial action necessary to maintain safety (this maybe charged).	575.00
3	REMOVAL Removal of bunting. Checking of bunting strands for wear and packing in storage boxes. Return of bunting to Town Hall.	1212.50
4	INVOICING Invoice for the cost of installation to be submitted and paid upon completion of installation as outlined in section 1 above. Invoice for the cost of inspection, any emergency call-outs and removal to be invoiced on project completion as outlined in sections 2 & 3 above.	
	Sub total	3000.00
	VAT	600.00
	Total	3600.00

Purchase of Bunting

Replacement red, white and blue heavy-duty bunting will be required (approx. 150 metres).
