	Bespoke Bunting	CE4/38e

INFORMATION RECEIVED FROM CWAC COUNCILLOR MARTIN BARKER

CWaC Cllr Barker is considering organising a project to engage local schools to design bespoke bunting. The material would be polyester without any PU coatings and Cllr Barker has secured the necessary sponsorship to cover all project costs. Before arranging the design and production of this bunting, however, Cllr Barker is requesting a commitment from Neston Town Council to arrange and fund installation.

Cllr Barker has stated that "given the opportunity to secure external funding for the bunting itself while involving local schools in its design, this represents a positive community-led solution that could deliver both environmental and social benefits for many years to come".

FOR DISCUSSION AND DECISION

To consider the information received and agree a response to Cllr Barker.

Audrey Duncan
Community & Environment Manager
