Neston Town Council	*Meeting (No)*	**Market & Town Hall Committee (4)**	
	Date	**17 November 2026**	
	Document		*Ref No*
	Display Cabinets		**MTH4/37**

As requested at the meeting on 22nd September I have been looking at some options and costs for display cabinets for the reception area. Unfortunately, we do not have sufficient funds in this year's budget to purchase any cabinets. The Committee may therefore wish to consider requesting that a sum is included in a future year's budget request.

Free standing Glass Display Counter 930mm (w)

£757 +VAT

Black Aluminium Glass Display Cabinet Lockable with 4 Adjustable Shelves & 10 LED Lights 1800mm High x 1000mm Wide

£919 inc. VAT

Skyline Aluminium Tower Showcase All - Glass Display with 4 Glass Shelves - Single Door Quality Skyline Aluminium Tower Showcase All - Glass Display with 4 Glass Shelves - Single Door - Height: 1980mm.

£600.00 inc. VAT

Display case with a lockable glass slide out display section, adjustable LED lights, and sturdy steel frame.

£586.80 inc. VAT

Black Wall Mounted Lockable Glass Display Cabinet with 2 Adjustable Shelves and 6 Spotlights 1000mm Wide

Inc. VAT £429.00

There are many configurations and options. The examples above are to give the committee an idea of types and costs.

Items, such as the old Post Office and Town Hall signs could be fixed to the wall, rather than putting into a display case.

A request for this project to be taken from the Special Projects fund can by requested to Full Council via the F&A Committee.
